Spurred by a return to full park rental activity (led by the great work of Gerald Watkins and Board volunteers), our merchandise sales topped \$45,000 for 2021 (even without the Classic). In addition to support from the City of Birmingham, we earned a \$25,000 grant from the Daniel Foundation and a \$10,000 grant from the Alabama Humanities Alliance. Donations enabled us to replace the exterior of the old Dugout Restaurant (and future Museum) and finally re-paint a major portion of the exterior of the facility. Donations are critical to our efforts to keep up with the wear and tear of 112 years of baseball. Thanks to our donors and volunteers for making 2021 another record year at America's Oldest Baseball Park.
